English for Finance Professionals

Invaluable Financial English training focusing on the language and communication skills required by finance professionals working internationally.

Suitable for

Finance professionals and senior directors who are required to understand, interpret and deliver financial data to an international audience.

Major areas of focus

- Review of key terms: macroeconomics, financial statements, sources of finance, markets and trends, etc.
- Effective company, fund or product presentations
- Functional language for negotiating via interactive case studies
- Tools for successful report writing

On completion

- Greater fluency and accuracy when discussing finance in English
- Ability to present complex financial data clearly and persuasively
- Production of professional written reports
- Possess greater interpersonal skills

Optional enhancements

- Company visits
- Post-programme mentoring

Combine with

- Effective Business Writing
- Individual Legal English

Duration

One week (30 hours)

"My skills developed considerably in such a short period of time."

Mr Dieter Feller, Senior Manager,
Compliance Department,
Deutsche VerkehrsBank (Germany)

Financial English

Communicaid's tailored Financial English programmes are designed to provide you with the key skills, tools and terminology you need to operate in an international financial environment. All programmes are designed and delivered by dual-qualified trainers – English trainers as well as finance professionals with 15+ years' international finance experience.

Suitable for

In-company accountants, bankers, internal auditors, finance managers and company leaders who require a solid command of financial English.

Major areas of focus

- Key financial language and relevant terminology
- Review of financial terms, e.g. financial statements, company structures, central banking, FOREX, risk management, retail banking, lending and the marketing of financial services
- Drafting clear, accurate and concise written reports
- Skills for negotiating at a senior level

On completion

- Greater confidence when discussing financial documents and data
- Increased verbal fluency for face-to-face negotiations
- The confidence to produce professional written reports in English

Optional enhancements

- Visits to relevant bank or financial institution
- Extended training days
- Working lunch

Combine with

- Legal or Insurance English training
- Business Cultural Awareness training

Duration

Flexible

"I am now able to write professional banking English."
